STEPONE-2025

STANDARD OPERATING PROCEDURE

EVENT NAME: HACK HUB

DEPARTMENT NAME: CSE, CSE(AIML) and CSE(AIDS), IT

EVENT TYPE: Flagship Event

EVENT DESCRIPTION:

“**HackHub**” is an overnight (12-hours) challenge that brings together creative thinkers, tech enthusiasts, and problem solvers to tackle real-world problems with innovative solutions. This team-based hackathon focuses on fostering collaboration, technical skills, and practical problem-solving abilities. The purpose of this event is to challenge participants to develop creative, efficient solutions that address pressing real-world needs while providing a glimpse into the challenges of project development in real-life scenarios. Participants will be presented with curated problem statements spanning impactful domains such as **Agriculture, Education, Healthcare, Environment, Tourism, Disaster Management, Applications of Drones** and **Entertainment**. The event encourages the use of diverse technologies allowing teams to craft solutions using their tech stack of choice. Teams of **3-4** members will work collaboratively to analyze, ideate, and implement their projects, with the best solution crowned the winner.

Welcome and Orientation:

- Welcome participants, mentors, and judges.
- Provide a brief overview of the event, rules, and logistics.
- Introduce mentors and judges.

Start Hacking:

- Commence the 12-hour hacking period, allowing teams to work on their projects.
- Encourage regular check-ins with mentors for guidance and support.

Breaks and Networking:

- Schedule short breaks for participants to relax and network with peers.
- Organize optional networking activities or games.

EVENT GUIDELINES:

- Each team should have at least one laptop.
- It is mandatory for all registered team members to be present at the venue by the start time.
- Malpractice must be avoided when working on the problem statement.
- The participants should be present at the venue for the whole event (all through the night).
- There should be no changes in the registered members in a team.

:

TEAM SIZE/NO OF PARTICIPANTS: 3-4 Members

CATEGORIES:

- **Senior Category:** Teams consisting of 3rd or 4th-year students.
- **Junior Category:** Teams consisting of 1st or 2nd-year students.

Note: A team containing at least one 3rd or 4th-year student will be considered part of the senior category.

PLAN OF ACTION: Overnight

DURATION OF EVENT: 12 Hours – Day 1 – 08:00PM-08:00AM

JUDGING CRITERIA:

A panel of judges, composed of domain experts and Stepcone organizers, carefully evaluate the presented work based on a set of criteria, innovativeness, skills and keeping other attributes in view.
